CIMA requires a lot of focus to score good marks, especially because the pass mark is 100 out of 150. But Achievers helped me to realize that studies alone won't help me score good marks, I had to get myself into activities and gain experience outside the classroom which was a life lesson for me and for that Achievers will always be my #1 choice for CIMA!

AYUMI MANAWADU

Head Prefect - Visakha Vidyalaya
CIMA Student

My experience in Achievers has been fantastic. My Lecturers went to great extents to help me and support me when I needed it. All in all, Achievers is one of the best places to study CIMA as they have the best lecturers in my opinion. Achievers will leave a big mark in my future and I hope it does in yours as well!
