WHAT IS CGMA FLP?

The CGMA® Finance Leadership Programme is an online learning and assessment platform designed to help you earn CIMA's CGMA® Professional Qualification and the CGMA designation. Based on the CGMA Competency Framework and the 2019 Professional Qualification Syllabus, this programme teaches you the knowledge, skills, and competencies needed to pass the Operational, Management, and Strategic case study exams, which are key steps in the CGMA Professional Qualification journey.

WHY CGMA FLP?

GAIN SKILLS THAT EMPLOYERS DEMAND

The CGMA Finance Leadership Programme equips you with the skills identified by 2,000 finance teams as crucial for career success.

DESIGNED BY FINANCE PROFESSIONALS FOR FINANCE PROFESSIONALS

The programme is created by experienced finance professionals and integrates real-world business scenarios, interactive exercises, and business simulations. It is backed by AICPA and CIMA, the leading global accounting and finance associations.

FLEXIBLE LEARNING AT YOUR PACE

Tailored for working professionals, the CGMA Finance Leadership Programme is fully online, including most exams. Study anytime, anywhere, and in any order that suits you.

LEVERAGE YOUR EXISTING KNOWLEDGE

The programme builds on what you already know, offering continuous assessments to help you progress at your own speed.

ACHIEVE YOUR QUALIFICATION FASTER AND SAVE

Complete the qualification on your timeline and save on course fees while advancing your career.

WHO IS CGMA FLP FOR?

Finance and Accounting Professionals:

Enhance your expertise and advance your career in finance.

Aspiring Corporate Sector Professionals:

For anyone looking to embark on a promising corporate journey.

HR Professionals:

Gain financial acumen to complement your human resources skills.

Logistics Experts:

Understand the financial aspects of supply chain and logistics management.

Marketing Specialists:

Learn how financial principles can drive marketing strategies and decisions.

IT Professionals:

Integrate financial knowledge with technology to better support business objectives.

Engineers:

Enhance your technical skills with financial management insights.

Legal Practitioners:

Complement your legal expertise with a strong foundation in finance.

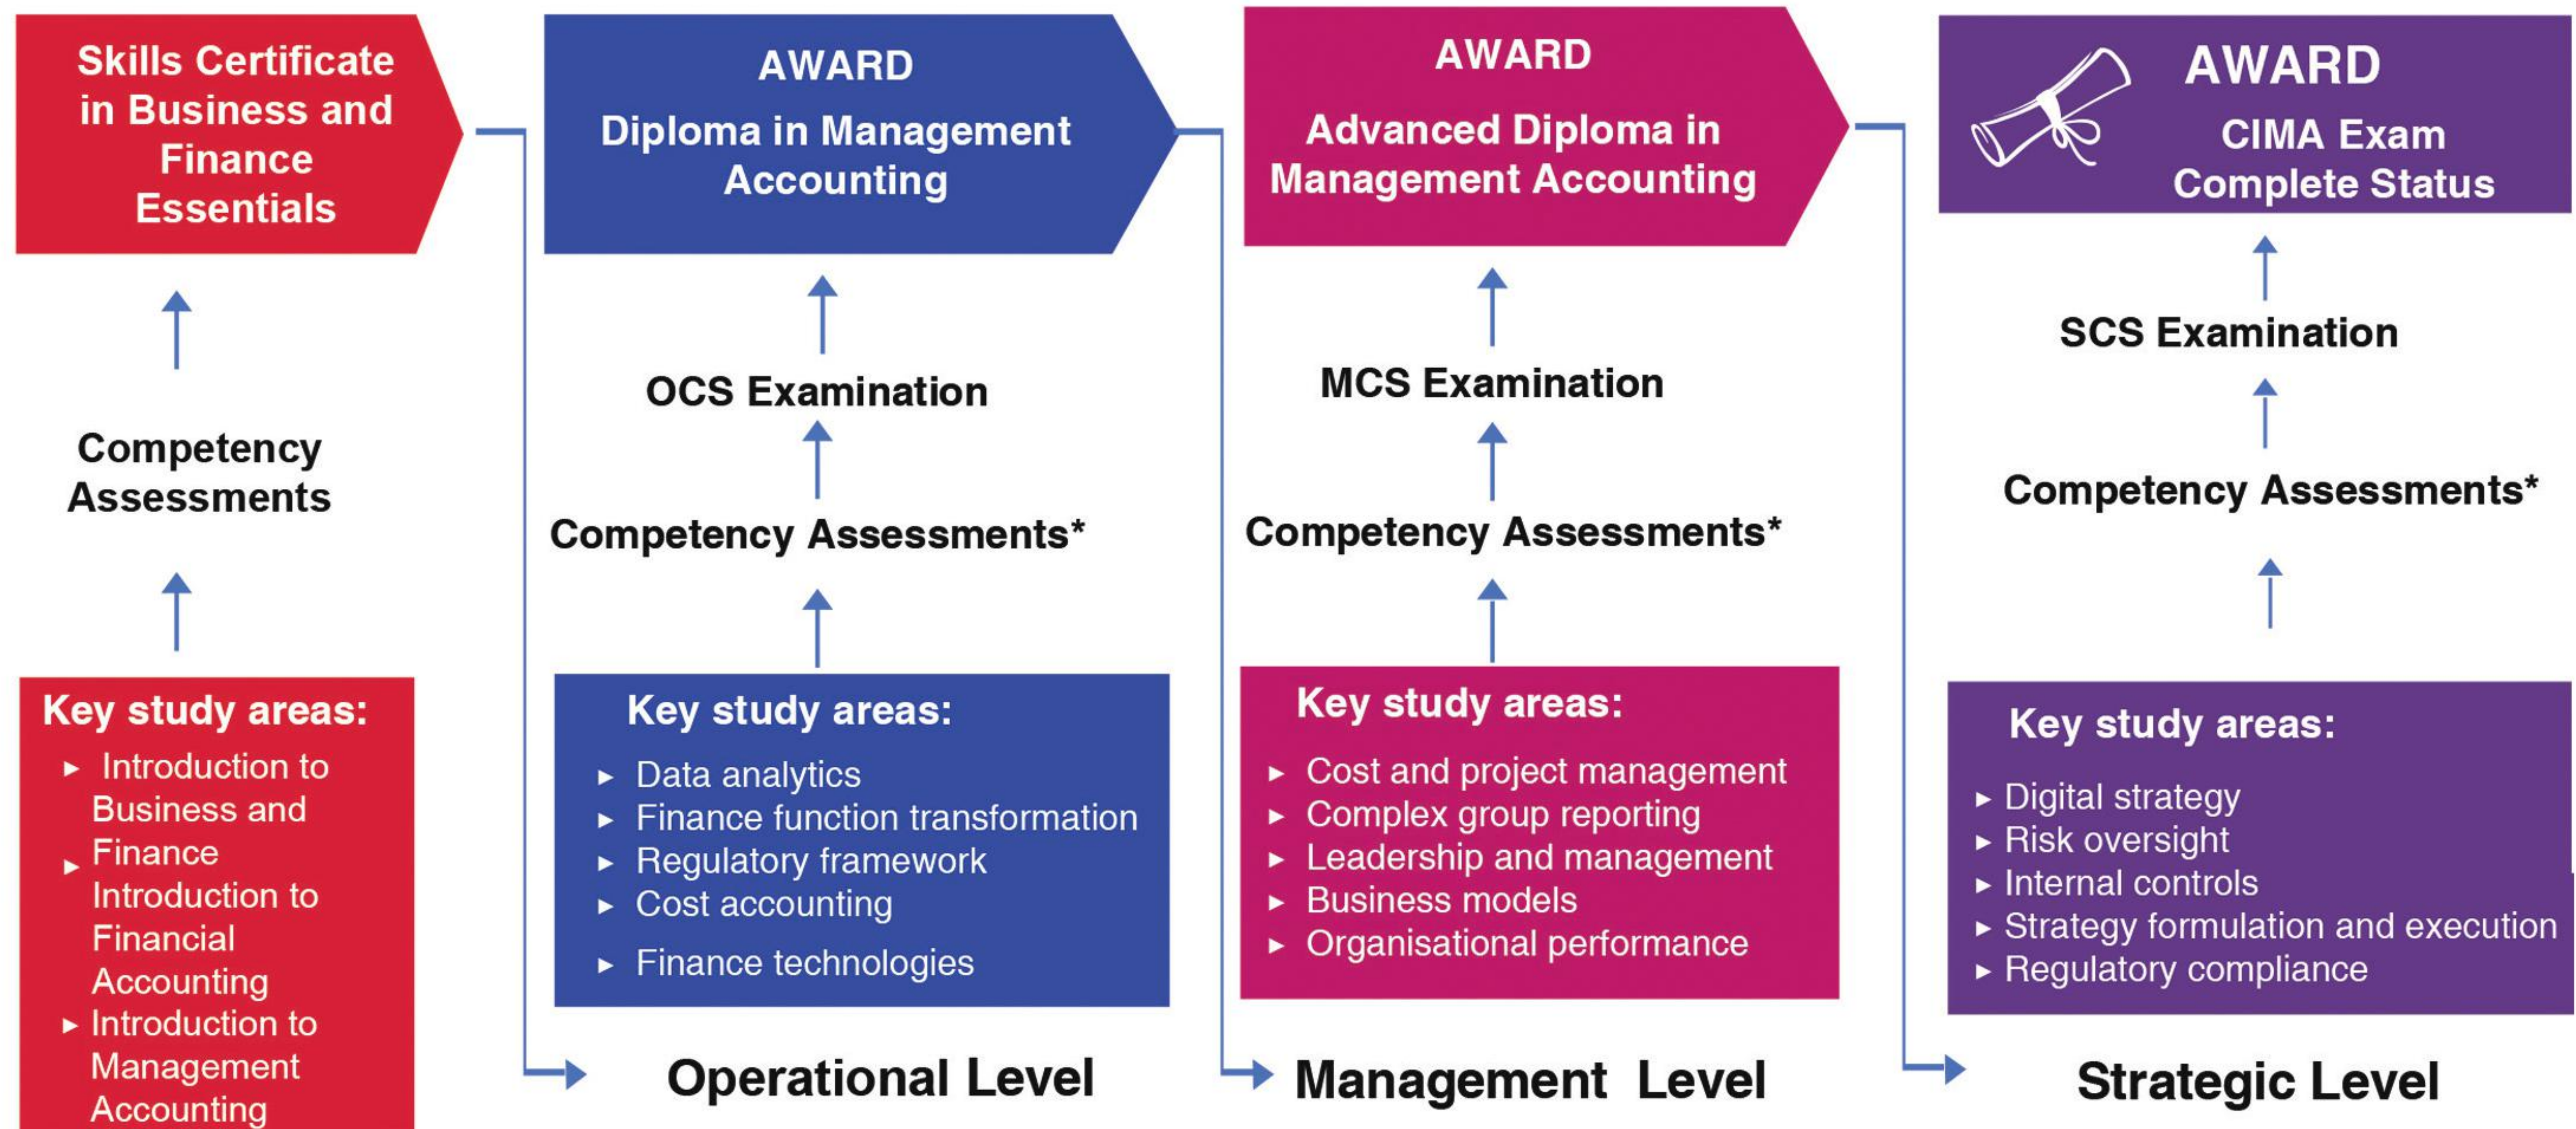

General Management:

Develop comprehensive financial skills to improve overall business management.

PROGRAMME STRUCTURE

The program is structured into three levels of learning where each level builds upon the previous level

Certificate Level (Essentials)

- Competencies given in the CGMA Competency Framework are trained and assessed
- Learning and assessments are self-paced and delivered online to allow students to fit the program into their schedule
- Students are required to pass assessment questions after each topic, complete business simulations and must pass one case study examination per level to complete the programme

No exams for OTQ subjects, instead COMPETENCIES ARE TESTED through Progressive COMPETENCY ASSESMENTS

How does the CGMA[®] Finance Leadership Program compare

with the self-directed learning and assessment route to the CIMA[®] Professional Qualification?

Choose between	Self-directed learning and assessment	Guided learning and assessment: The CGMA Finance Leadership Program (FLP)
Standards	Both routes are founded on the CGMA Competency Framework. They use the same syllabus, teach the same nine competency areas, test the same material and require the same level of proficiency and experience.	
Learning methods	<p>Learning is self-directed by learners who can choose from various study methods:</p> <ul style="list-style-type: none"> • With a tuition provider (in classroom or online) • With official CIMA textbooks and materials • Online and distance learning 	<p>Learning is fully guided through the CGMA FLP digital platform:</p> <ul style="list-style-type: none"> • Entirely online • Self-paced digital environment • Provides all learning materials needed to complete the qualification, including exam prep courses
Assessment	<p>Objective Tests</p> <ul style="list-style-type: none"> • Nine 90-minute computer-based exams, taken on-demand at a Pearson Vue testing centre or online 	<ul style="list-style-type: none"> • Learning and assessment happen simultaneously • Multiple-choice questions and open-text Business Simulation Assignments are incorporated into online learning materials • Learners skip material they already know via pre-assessments
Case study exams	<ul style="list-style-type: none"> • Three three-hour exams at each level of the qualification that learners can take during four windows per year, either at a Pearson Vue testing centre or online. 	
Progress tracking	<ul style="list-style-type: none"> • Learning progress and performance tracking available 24/7 through Study Planner • Objective Test and Case Study Exam results available 	<ul style="list-style-type: none"> • Learning progress and performance tracking available 24/7 on embedded Dashboard • Track the pace to expected exam date using the Weekly Goal tool on the Dashboard • Freely view case study exam results, along with newly acquired skill sets and competencies through My Account on the learning platform
Practical experience requirement (PER)	Both routes require learners to log at least three years of verified, relevant, work-based experience in the course of completing the Professional Qualification. This requirement ensures their mastery of real-world accounting, finance and business skills.	
Award	After completing either route, learners become CIMA members and are awarded the use of CIMA designatory letters (ACMA or FCMA), as well as the CGMA designation.	

ABOUT ACHIEVERS

Achievers was established in 2004 with a vision of directly contributing exceptional talent to the corporate world by attracting high calibre students and moduling them to be outstanding professionals.

At Achievers, we go beyond providing a mere qualification for our student. Our vision is to equip students with the necessary skills to excel in the corporate world, while attaining success at the exams. To facilitate our vision, we have implemented various programs to develop personal, interpersonal and entrepreneurial skills, which differentiate our students from the rest and give them a competitive advantage.

Achievers received the *BEST BUSINESS SCHOOL LEADERSHIP AWARD* at the CMO Awards held in Singapore for two consecutive years and also won a *silver award* at the SLIM Brand Excellence Award in 2012.
